Powertek Equipment Company

<https://www.helicalgearedmotors.com/>

We are a well-known manufacturer, exporter, and trader of a highly reliable array of Geared Motors. Owing to their durability and resistance to damage, these offered ranges are highly appreciated among our patrons.

About Us

We, **Powertek Equipment Company** from **1998** are prominent **manufacturers, exporters, and traders** of high-quality Geared Motors. Offered products range consists of Planetary Gearboxes - Geared Motors, Electric Winch, and Worm Gear Boxes - Geared Motors. Recognized for their long service life, optimum performance, simple usability, rugged design, smooth finishing, and high efficiency, these products are made available in several technical specifications. Also, we provide these products at reasonable prices and within the assured time frame.

Since our inception, we have backed by an ultra-modern infrastructure. Together with this, we have a team of talented professionals which work dedicatedly to provide a quality approved product which is in compliance with the client's given specifications. Also, this helps us to cater the bulk requirements of our prestigious patrons. Apart from this, all our offered geared motors are quality assured against the industry set parameters to ensure their quality.

Our Marketing Director **Mr. Ravish P.** Hebbarhas guided us to be able to reach such heights. His managerial skills and ability to make good decisions, has been our most valuable asset to grow rapidly.
